Well, Holmes ...the Baptist Consulate in Brazzaville has forwarded a most curious communication from a persecuted church in the Republic of Hasidesogre. Their earnest wish is that their Christian brethren in the West should know of their desire that all believers remain faithful servants. Regrettably, we possess only a fragment of the one-time key by which the message was enciphered. The surviving numerals indicate the letters required to reconstruct the text. I should be greatly obliged if you would examine the evidence and decipher the message as completely as circumstances permit.
