Key Words taken from John 15:9 - 17 (NIV)

It is I, the Word Ninja. Put your Wordle puzzle aside for the moment. Give this message your full attention. The words on the left are from your Bible passage, in John 15. They have been jumbled and you must un-jumble them. This is better than Wordle you have all the letters! Use the numbers, then, to decode the quote about loving as Jesus loved.
