

A Love for Others

Family Discussion

Love is patient and kind. Love is not jealous or boastful or proud or rude. It does not demand its own way. It is not irritable, and it keeps no record of being wronged. It does not rejoice about injustice but rejoices whenever the truth wins out. Love never gives up, never loses faith, is always hopeful, and endures through every circumstance.

Discuss

- List some things of which you have said,
“I really love _____”.
- Now look at the verses and list the qualities of love that are described. Note, some state what love does NOT display, others state what it DOES display.
- What are some specific situations where you can show love by displaying love's qualities Paul wrote about.

Pray

- Thank Jesus that He loved you enough to come to earth and die on the cross so you could have sins forgiven and receive eternal life.
- Pray that God will enable you to demonstrate love in the ways Paul wrote about.
- Pray for people who have not yet experienced God's love in their lives. Pray they will receive Jesus as their Savior and Lord.
