- If someone *is* one of Jesus' sheep, what is true about them?
- What are major decision or turning points on life's road with "signposts" where, as one of Jesus sheep you should be paying attention?

 Share how Jesus, your Good Shepherd, miraculously guided you through these times in your life.

- Thank God for the many times He provided guidance and wisdom in decisions your family has made.
- Ask God for His direction in a situation you are currently facing.
- Pray for family and friends who are confronted with a difficult life issue and need His guidance to know what to do.
