Consider God's Word

Psalm 99:3, 5 (NLT2) Let them praise your great and awesome name. Your name is holy! ... Exalt the LORD our God! Bow low before his feet, for he is holy!

Discuss

- Consider the biblical meaning of “holy.”
 - To be distinct, separate, in a class by oneself
 - Unique, no rivals, no competition
 - To be “other” ... different in a special way
- Discuss how the term “holy” applies to God.
- What are some concrete ways you can *celebrate* God’s **holiness** this week.

Pray

- Praise God for His holiness.
- Thank Him that He has blessed you distinctly, uniquely.
- Pray that others will see God's holiness at work in your life.
