

GOD'S FLOWERS

FAMILY
DISCUSSION

Walk into the fields and look at the wildflowers. They don't fuss with their appearance—but have you ever seen color and design quite like it? The ten best-dressed men and women in the country look shabby alongside them. If God gives such attention to the wildflowers, most of them never even seen, don't you think he'll attend to you, take pride in you, do his best for you?

Luke 12:27, 28 (MSG)

Discuss

- Use the Google search engine to show you pictures of wildflowers. List how many colors you see.
- Why do you think God gives such attention to flowers off in the woods that sometimes never get seen?
- What does that tell you about God's love and care for you? You are more important to God than flowers. How will He be taking care of those things that trouble you and cause you to worry?

Pray

- Praise God for His beautiful creation that is displayed all around us.
- Thank Him for provision and protection for your family.
- Tell God what things are happening that could easily cause you worry. Tell Him you are trusting His direction and guidance in your life.
- Pray for people you know who have situations that are worrying them.
