Discuss

- Who are some of the people who have helped you develop a skill – academically, in sports, in some hobby, whatever?
- The Bible verse said that the Lord was with David and helped give him success. In what ways does the Lord help us and give us success?
- What are some situations in your life right now where you really need the Lord with you?

Pray

- Thank the Lord for the people in your life that helped you succeed in some way.
- Tell God about the circumstances right now where you need Him to be with you and assist you.
- Pray for others you know who need God's presence in their lives to be victorious over some problem or challenge.
- Ask God to show you when you can be a help and encouragement to another person.
