

# God Is Communicating

Family Discussion  
Eli and Samuel

“ So Samuel went and lay down in his place. The LORD came and stood there, calling as at the other times, "Samuel! Samuel!" Then Samuel said, "Speak, for your servant is listening."

# Discuss

- ▶ Certainly God can speak to someone today in an audible voice (like He did with Samuel) if He chooses to do so. What methods has God provided today to speak to us?
- ▶ Why should we be careful about considering a dream to be God speaking to us?
- ▶ Why would daily reading and thinking about a portion of God's Word be the most important way to realize what God would want you to know?

# Pray

- ▶ Thank God for His Word. Thank Him for speaking to you as you have read it, studied it, and heard it preached and taught.
- ▶ Ask God to help you to continue to give attention to what He has to say to you and to help you apply His Truth to your life.
- ▶ Pray that people who do not know Jesus as Savior and Lord will be paying attention to whatever way God chooses to speak to them.
- ▶ Pray for those who are working to give people God's Word in their own language.
