Words taken from Luke 16:1 - 12 (NIV)

Exploit your friends? Humph! That doesn't sound very Christian. Well, see if you can make sense of those messed up words in the box. They need to be found. Humph. I suppose you'll need help, since they go up, down, forwards, backwards, and even diagonally.

So, you can go to <https://tinyurl.com/y2acfqfy> where there's other Family Activities. Do it ... it's good for you! Humph.
