

God Speaks Through His Holy Spirit

Fallen Phrases Puzzle

"Well hey there, Vern. You ain't gonna believe what that fella did at the church. Climbed up on the sign to clean it—real proud of himself—then wham, knocked off half the alphabet. Letters fell straight down like hailstones, only now they're all mixed up like a goat in a trampoline park. He's standin' there starin' at 'em, tryin' to sort out single letters, but once he hits two- and three-letter words, he's lost faster than a June bug in a jet engine. So we need you, buddy. Pastor's gettin' twitchy, folks are gatherin', and that sign's gotta make sense again. Know what I mean, Vern?"
