Genesis 9:14-16 (NLT2)

When I send clouds over the earth, the rainbow will appear in the clouds, and I will remember my covenant with you and with all living creatures. Never again will the floodwaters destroy all life. When I see the rainbow in the clouds, I will remember the eternal covenant between God and every living creature on earth.”

Discuss

- God made a covenant with Noah. List synonyms for the word “covenant”.
- What characteristics or attributes about God do we see demonstrated in God’s promise not to destroy the earth with a flood ever again?
- When you see a rainbow, it will remind you that God withholds judgment for our sin. He sent Jesus to take that judgment upon Himself in our place. What can you tell God when you see rain and a rainbow?

Prayer

- Thank God for the beauty of a rainbow. Thank Him for the promise of mercy and grace that it represents.
- If you are out of fellowship with God because of an unkind action or word, confess it to God and thank Him for His forgiveness, symbolized by the rainbow.
- Pray for people you know who have not yet experienced His forgiveness.
- Pray that when you see a rainbow, you can share the meaning with others.
