

The Bread of Life Cryptogram Puzzle

"Well now, this word comes to us from a faithful pastor down in the small church at Colby, Mexico. He's sent it along in two parts, as trouble rides close behind him—the cartels are pressing hard. Still, he aims for us to understand that even in the face of danger and a heavy spirit, the Lord does not abandon His own. My trusted friend Tonto knows the code that unlocks the meaning, but he's away on urgent business. So I'm calling on you to lend your hand. Take heed of the sample 'Hello World' message—it will guide your way. When your work is done, see that this message is passed along to your benevolence chairman. There's no time to waste when good people are in need."
