

John the Baptist's Final Testimony

Cryptogram Puzzle

"My friends, word has reached us—quietly, courageously—from a little house church in the province of Jidaditapit. They smuggled a two-part message all the way to our Baptist consulate in Mumbai. And they send it with one great desire: that we remember the final, burning testimony of the John the Baptizer we studied today. Our decoding team is still on the road, returning from an Easter mission trip to Hungary. So the task falls to us. They're asking for your help—right now. Take the key that's been placed in your hands. Use it. Find the letters hidden in that number-coded message. These believers, far across the world, are standing firm in their faith. And they're calling us to stand with them—with the same courage, the same conviction, the same trust in the living God."
