"Friends, two small scraps of paper found their way into the Baptist consulate in Wilie Sierusal. They came from a persecuted church, reminding us—quietly but powerfully—that God is still changing lives, even in the hardest places. First, work on those key words to unscramble from John chapter 4. The numbers will guide you to the message they've hidden. Take a moment with it. Let their courage warm your heart. It's a simple reminder, but one filled with hope.
