"Greetings, agents. Our top Christian operatives—working deep undercover in the highly suppressed Blicriaing Province of one of those '-stan' countries—have delivered two pieces of a classified message through separate dead drops. Would you believe it? Separate dead drops! Your mission, should you choose to accept it, is to use the numbers in the message to locate the correct letters in the key and uncover the hidden message. The underground church wants us to remember the immense love Jesus showed when He died on the cross. And if this message self-destructs… well, that would be very inconvenient."
