# The High Priestly Prayer
## Cryptogram Puzzle

This is Spiros the Spy checking in from the Baptist Consulate in Puernia Nitediguay. One of our operatives was passed this secret message by a local believer. Your church family from across the world wants to share it with you. Our decoding team has gone on a middle school mission trip, so we need your help. Use the key below to decode it. You can see how it works by the "HELLO WORLD" example.
