Yep, this happens about every month or so. All them letters just fall straight down. It's a mess, I tell you! But you can fix it. Pretty interesting comment on your Bible Study, so you'll want to find out what it says ... a quote by a fellow name of J. Gresham Machen. Some of the boxes are easy ... only one letter in the column. Then look at the two or three letter words and see what combinations of the letters below make a reasonable word. If you're stuck, go to
