

Overcoming the World Family Discussion

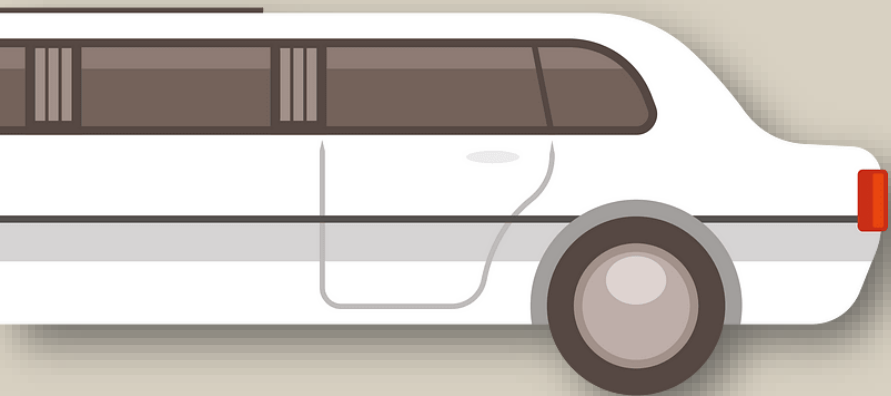

1 John 5:4, 5 (NIV)

For everyone born of God overcomes the world. This is the victory that has overcome the world, even our faith. Who is it that overcomes the world? Only he who believes that Jesus is the Son of God.

Discuss

- What does it mean to be “born of God”?
How does that happen?
- What do you think it means to “overcome the world”?
- How does the faith of a believer contribute to this victory over worldly influences?

Pray

- Thank God that your sins can be forgiven, and you can have eternal life.
- Ask God to help you and your family to daily overcome worldly influences all around us.
- Pray for people you know who are struggling to overcome the world.
