It weren't me what stole dem letters out of da boxes. Dey fell straight down on dere own. Replacing some letters is easy to figger out, like where der's only one blank in dat column. Look fer two or tree letter words and figger what two or tree letters in dose columns make a sensible word. If youse get's stuck, go to <https://tinyurl.com/tg23rzn>. Say, have you seen da fuzz 'round here? (Dat's a hint by da way)
