Jesus Gave Me Grace and Forgiveness
Fallen Phrases Puzzle

The magnetic letters were bombarded by enemy electromagnetic pulses. More than half of them fell down. Our decoders are busy watching March Madness on ESPN. Luckily the letters fell straight down from their columns. The easy ones are where only a single letter fell. Then check out the two and three letter words.

Choose letters that make reasonable words. Cross out letters in the fallen columns as you use them. This message came from one of our spies in Ldiveskely and he risked his yearly bubble gum ration to get it to us. When you re-assemble the message, pass it along to your church's IT department.
