Alright now, listen up, pilgrims. The Word Search Lady's off on some kinda winter retreat, and she told me to pass along her greetin's—'Humph!'—whatever that's supposed to mean. Instructions ain't changed none. Your job's simple: find those words. Your trail runs left to right, straight down, and off toward the North East and South East. But no need to go ridin' backward. Word around the campfire is that the other class has thrown down a challenge. So quit jawin' and saddle up. You've got work to do.
