

Jesus Restored My Life Cryptogram

You need to pass this message along to Spiros the Spy. I received it from one of our operatives here in Jeki Maukutome. I hear that your decoding staff is on Spring Break at Disney World, so we're depending on you. An example of the code is given for "HELLO WORLD" See how the shapes match the patterns in the table on the right? Do your best, please. When you finish the decoding, pass the message along to the chairman of your prayer committee. Help and other Family Activities are available at <https://tinyurl.com/3r2wwy82>
