

Jesus Restored My Life

Family Discussion

1

When Jesus saw him lying there and learned that he had been in this condition for a long time, he asked him, "Do you want to get well?" "Sir," the invalid replied, "I have no one to help me into the pool when the water is stirred. ... Then Jesus said to him, "Get up! Pick up your mat and walk." At once the man was cured; he picked up his mat and walked.
