

# Jesus Saves Cryptogram Puzzle

Maxwell Smart from "Get Smart"

"Missed it by that much! We've just received an encoded message that was secretly delivered to the Baptist consulate in Galbarncent. The underground church took great risks to get it to us, so try not to lose it. Use the key below to decode the symbols. The 'Hello World' example shows you how it works—simple, even I can do it. Once you've decoded the message, pass it along to your benevolence pastor. And remember... you heard none of this from me."

**Π Ο Λ Ε Ε υ Ε ρ Λ Ϟ** = HELLO WORLD
