**PRAY**

- X Thank the Lord for the faithful people who ministered to you when you were younger or when you were a new Christian.
- X If you are not very involved in serving the Lord in your church, ask God to show you where you might be needed to help the ministry of the church.
- X Pray for all those who faithfully serve the Lord ... the pastor, the Bible study teachers, the greeters, the outreach teams, those who care for the church facilities.
