"Mes amis, our good Baptist consulate in Magan Naniuegas has transmitted to us a communiqué of the utmost delicacy from two trusted agents among the local faithful. The underground church desires that their dear brothers and sisters in Christ should not forget a truth most profound and essential. Alas! Captain Hastings is absent, enjoying himself at some tedious golf affair abroad, and therefore the burden falls upon us. You will observe, I think, that the clue words from your Bible study, when arranged with order and precision, will reveal the correspondence between the letters and the mysterious numbers contained within the message. It is a matter requiring not brute force, no, but the exercise of the little grey cells. I beg of you, proceed with all possible haste!"
