WORTHLESS

Well, you're back. Humph! It's about time. You haven't done one these assignments for some time now. You need to **obey** these instructions and find the words. My suggestion is just to look at the grid and see what words jump out at you. Then start looking for the ones on the list you cannot find. Remember they go in all directions. Finish by Tuesday or you'll get a Thanksgiving turkey stuffed with lumps of coal!
