Pray for Your Neighbor Double Puzzle

Clue Words taken from 1 Timothy 2:1 - 8 (NIV)

Spiros the Spy is busy with a Wordle message. He needs us to decrypt this two part message. Our operatives in Masnam Mubev retrieved these in a hollow tree and under a park bench. They offer us a hint that the clue words are from your Bible Study passage this week. When you solve the message, pass it along to the chairman of your prayer committee.
