

# Stand Down - Trust God

## Finger Puppets

Esther 4:1-3,10-16

Color and cut out the figures below to make stick puppets. Glue them to a popsicle stick and use them to tell the story about how Mordecai and Esther must appeal to the king to save the Jewish people. Read the story in Esther 4:1 - 3, 10 - 16. The figures are duplicated looking in both directions so you can have the characters looking in either direction in your puppet production.
