Hello, Central? We have some sort of secret message intercepted from the Prifrinited embassy. Spiros the Spy and the Word Ninja are stumped. Can your people unscramble the words at the left (which come from the Bible Study passage) and use the numbers to determine the letters in the message below? The bass guitarist from the worship team is waiting for the message.

1 2 3	4 5	3 6	7 8 9 7 10 11 6	12 2 13	14 15 16 17
