

Strong in Purity

Family Discussion

“But why do you let that Jezebel who calls herself a prophet mislead my dear servants into Cross-denying, self-indulging religion? I gave her a chance to change her ways, but she has no intention of giving up a career in the god-business. ... The rest of you Thyatirans, who have nothing to do with this outrage, ... I’ll not make life any harder for you than it already is. Hold on to the truth you have until I get there.

From Ch. 2 of John’s Revelation (MSG)

- List some examples of actions or attitudes which were considered sin in the past, but have been “redefined” to be “acceptable”
- What is wrong with the claim, “There is no such thing as *absolute truth*”?
- What are some absolute truths to which we must continue to hold?
