So you say you're distracted ... Humph! ... Focus on this. Find the words! We're going easy on you this time, all are left to right, top to bottom or diagonal ... nothing backwards. If someone asks, there is help for those who wimp out. Go to <https://tinyurl.com/39fpzbh9> And for the diehard crossword fans, there's one there, also. Don't forget your book reports. Humph!
