

The Fear of God Cryptogram Puzzle

N O L L E V E F L O

= HELLO WORLD

I've been working undercover in Riapa Baruscain. A local Christian passed me this message. Can you help me decode it? The key is on the right. Look at the shape of the symbols and match them up with the letters in the grid. You can see an example with the "Hello World" code below. Pass the results to the Sr. Adult pastor.
