

God's Paths

Family Discussion

An illustration of a campsite on a hillside. It features two tents, one orange and one light blue, with a small fire burning between them. The hillside is brown and has some green bushes. A dark grey path or road curves down the side of the hill.

Show me your ways, O LORD,
teach me your paths; 5 guide
me in your truth and teach me,
for you are God my Savior, and
my hope is in you all day long.

Psalm 25:4-5 (NIV)

Discuss

- What are some walking and biking paths in your town. What do you like about them?
- The psalmist prays for God to teach him about His (God's) paths? What kind of paths might God take a person in life?
- What are ways God might make known His paths for you – both for now and for the future?
- The psalmist also prays for guidance into God's Truth. What are some truths God would want you to remember as you follow His paths for you?

Pray

- Thank God for His Word, the Bible, which gives you specific truths and directions for living.
- Ask God to help you to be disciplined in reading and meditating on His Truth.
- Pray that you will give attention to God's direction as He reveals His paths for you.
- Ask God to speak to friends and family members who are not following God's paths. Pray that they will find and follow God's direction.
