The Light and Glory of God Double Puzzle

Clue words taken from Luke 2:25 - 35 (NIV)

One of our secret contacts in the Kezilip Embassy in Washington D.C. has forwarded us the message below. We have received the clue words from one of our agents in that country. Can you please unscramble the clue words (taken from Luke 2:25 - 35 in the NIV) and use the numbers to decode the message? Our decoders are busy watching bowl games. We need your help! Forward the results to your pastor for sports evangelism (when he finishes watching the bowl games).
