

# The Ruler Who Cares for His People

## Fallen Phrases Puzzle

A "What If" Scenario

I H I O R F S I E  
 O R C O A C T S E E N D E H E N I S K V  
 O U E N H I R W C A E A M R L L E D O N A S I E E  
 I M E T T E T N S Y I S R L I G I E A V E D T G M E D N

People must realize, it was a long trip.

Well, it's some sort of statement about our trip. But the letters have fallen off ... straight down.

The **wise** puzzle solver will look for one letter columns. Then work on the shorter words, finding letters that complete words that make sense.
