

Health Care at a Distance

+ Family Discussion +

The official has just been to Jesus to request healing for his son. Jesus told him, "You may go, your son will live."

The man took Jesus at his word and headed home.

John 4:51-54 (NIV) While he was still on the way, his servants met him with the news that his boy was living. 52 When he inquired as to the time when his son got better, they said to him, "The fever left him yesterday at the seventh hour." 53 Then the father realized that this was the exact time at which Jesus had said to him, "Your son will live." So he and all his household believed.

Discussion

- What do you think the man thought as he saw his servants approaching?
- Do you think the man figured the timing of Jesus' statement and the servants' report was just a coincidence? Why? Why not?
- The result was that the official and his whole household believed. How does experiencing God's grace in our lives affect not just us individually but those around us?

Prayer

- Thank the Lord for answers to prayer in your family.
- Ask God to show you promises in His Word which speak to your current needs.
- Pray that God will help you take Him “at His word” and trust Him.
- Pray that God’s specific answers to prayer will be a witness to friends and family members.
