## The Temptation to Rely on Myself Instead of God Fallen Phrases

This discarded message form was rescued from the trash of the Walirianew Secret Police. Apparently, they were unable to reconstruct the secret code. We believe your Bible Study class has the knowledge to recreate the original text. The letters are straight down from their original location. Begin with single letter columns, then two and three letter words. Use letters that make reasonable words. Watch out for punctuation marks, there's no letters there. Forward the solution to the chairman of your prayer committee.
