## Obedience in Tithing

Suppose your relative sent you  
**Ten dollars** for your birthday!  
What a wonderful surprise!

Color *all* the money a light green.

You want to tithe your \$10 and put  
ten percent or one tenth of your  
gift in the offering at church.

Circle the bill on the right which will  
be your tithe. Ask someone in your  
family to help you with the math.
