Discuss

- When you have (or had) an important school assignment, what kinds of things kept you from focusing on your work?
- Jesus told us to stay alert and remain watchful. List things which distract you from focusing on Jesus.
- Think of things you could do to minimize these distractions.

Pray

- Thank God that He is trustworthy and faithful to fulfill His promises and accomplish His plans for each believer.
- Ask God to show you ways you could be more faithful in staying focused on following Jesus.
- Pray for people you know who are not ready for Jesus' return.
