

# When God Interrupts Your Life

## Cryptogram Puzzle

"We've just intercepted an encrypted message from the Baptist consulate in Waniloupe. Unfortunately, my decoding team is otherwise engaged—preparing for a middle school marching band competition, of all things. I'll need your expertise to decrypt this message. Use the key provided, and refer to the 'Hello World' sample for guidance on the code. Once you've cracked it, report your findings directly to the missions committee."
