"Ladies and gentlemen, we have just received—get this—a number-coded communiqué straight from our brave Baptist consulate in Wayri Kongtiascot, working hand-in-hand with the underground church. Now ordinarily, our top-notch decoders would jump on this, but they're currently buried under the crushing weight of *middle school final exams*. So—it falls to you, the true disciples of this operation. Use those numbers, match them to the key, pull out the real message, and then report your findings directly to your visitation pastor. This is important, folks. Time to step up."
