

# Why We Need God's Word

**Family Discussion**

**// All Scripture is God-breathed and is useful for teaching, rebuking, correcting and training in righteousness, so that the man of God may be thoroughly equipped for every good work.**

# Discussion

- How do you think the message Bible authors received being “God breathed” is different from God dictating the words?
- Look at all the ways Scripture can be used. In what ways have you experienced any of these ways?
- Why do you think it is important to read God’s word every day?

# Pray

- Thank God for communicating His love and salvation to you through His Word.
- Ask God to give you a love for and the determination to read and apply His Word daily.
- Pray for the preaching of God's Word around the world. Pray that people will listen and receive the Good News of salvation.
