"Gol-lee! The Baptist consulate down in Pahang just got themselves a mighty important secret message from the underground church over in Waleskiaeng. They sure do want all their Christian friends everywhere to know this wonderful truth. Now don't you fret none if those funny little symbols look confusing. Just take a peek at that 'Hello World' example, and it'll show you exactly how to match each symbol to the right letter. Shazam, it's just like putting together a puzzle! Our regular decoder folks over at Baptist Headquarters are all off attending a middle school summer retreat, so they're countin' on good folks like you to lend a hand. I just know y'all can do it!"
