

# Worship Continuously

Family Discussion

# Discuss

- Everyone has their own opinions on music. What style of worship resonates with you?
- What is it about your favorite worship songs that make them your favorite?

# Discuss

- Singing is a relational thing for God. What is the difference between singing for your own pleasure, or any audience other than God, and singing for God?

# Discuss

- Worship isn't about preferences or past experiences. It's about pleasing God! *So how can we change* our worshipping practices to be more **God** focused, than familiar and “me” focused?
