

You Won't Die

Family Discussion

It could happen ...

What would you
do if you saw an
angel?

Think About It ...

How would you respond if you met someone you had presumed to be dead?

That's what happened to Mary!

How do you
suppose it
changed her life?

Has it happened to you?

God can change your life for the good.

Talk about how that comes to be.

If God has changed your life, share
what changes He has made.
